Ice Cream RECEIPT...

OUR ICE CREAM is town talk. A number of ladies have asked for our receipt, and we are glad to give it to all.

We use one half Jersey Cream, one half rich milk, granulated sugar and pure fruit flavor. This will make you the finest cream that can be made. If you do not want to trouble with making it, we can furnish you any amount at \$1.50 a gallon.

If you only want a half gallon or gallon, this is cheaper than you can make it. If you want cheap cream at 75c or \$1.00 a gallon, we advise you to go elsewhere, as we only make one kind. It is the same kind we serve at our fountain, and that is the reason they are all coming to Bratton's.

TRACY VERDICT GIVEN TWO YEARS

Ex-Secretary School Board Found Guilty of Forgery Charge.

Houston, Texas, June 10.—At 5:30 this evening the jury in the criminal district court, where the trial of S. E. Tracy has been in progress since Tuesday morning, on the charge of forging school warrant No. 680 for \$122.65, made payable to George Gaertner, returned a verdict finding the defendant guilty and fixing his penalty at two years in the penitentiary.

The verdict as read by the clerk when the agreement had been announced by the twelve men hearing the case was as follows:

We, the jury, find the defendant guilty, as charged in the indictment, and assess his punishment at two years' confinement in the state penitentiary. R. MÜNSTER, Foreman.

The defendant is in the county jail awaiting the formal presentation of a motion for a new trial.

DEFEAT FOR RUSSIAN TROOPS

Several Important Positions Captured by First Japanese Army.

Fusan, Korea, June 10.—The first Japanese army has recently been engaged in most important operations.

For two days past four columns have been reconnoitering the roads toward Liao Yang, Hai Cheng, Saimatsza and Siu Yen, and have occupied the towns mentioned, dislodging Russians numbering several hundred from each after sharp fighting.

The Japanese casualties were 65 men killed.

Russian Headquarters, Liao Yang, June 9, 2 p. m.—General Kuropatkin is expecting reinforcements, which, as soon as they arrive, will advance from Liao Yang, and important developments are expected.

Persistent reports are in circulation of a battle at Port Arthur, that place being attacked by land and sea. Nothing definite is known, however, except that an attack made by the Japanese did not succeed.

FIFTY THOUSAND MEN MAY STRIKE

Freight Handlers Demand Settlement Within Three Days.

New York, June 10.—Lawrence Curran, leader of the striking freight handlers, after a protracted meeting with labor men here, has issued a statement that will call out the freight handlers from New York to San Francisco unless the strike here is settled within the next three days.

Curran estimates that more than 50,000 men will be affected if a new strike is ordered.

"I will give the railroad and steamship companies now fighting the freight handlers and firemen three days," he said, "to grant the demands of both organizations or accept arbitration."

"If after that time our demands are not granted, I will call out every freight handler between here and San Francisco."

TWO CHILDREN ARE POISONED

One of Them Dead, the Other Is Seriously Ill.

Yesterday two children of Mrs. Geo. McGill, living in the southern part of the city, on Magnolia street, at the A. Johns home, became violently ill, and this afternoon at 1:30 one of them, Donovan Archie, aged 3 years, died, and the other, Charles, is seriously ill, but is getting along nicely this afternoon.

The children were evidently poisoned by something they ate yesterday. The family and physicians could not determine what it was, and they suppose it was some poisonous substance they found while at play.

No man can work well with a torpid liver or constipated bowels. A few drops of Prickly Ash Bitters will quickly remove this condition and make work a pleasure.
